<u>Scenario:</u>

You just got a new job working as a college mentor and after some time your friends come to you and tell you that they have noticed that you never have any more time to hang out. You agree, but you can't seem to figure out how to manage your time well. After researching what to do you come across the PlanMe app and you would like to plan more in your life.

Task 1: create a priority 2 reminder of your upcoming next meeting on november 6 at 1:45 pm.
Task 2: Add a monthly note of something important or that you need to remember.
Task 3: Look at your schedule and see what days you are free from november 1st to the 7th.

<u>Notes:</u>

Changes that should make:
1. Add back button to the monthly notepad
2. Create an area where the priorities are explained
3. Move monthly notes to a separate page

Things the testers liked.
1. The Priority Idea
2. The calendar set up
3. The option for notifications off on specific reminders
